

Puławy, April the 7th 2010r.

RE: the procedure for a public Contract No INS/CBEN-30/2010 in the open procedure for the supply of equipment, machines and devices within the Project of "the Construction of CO₂ Supercritical Plant Extraction Research Center" – The set consisting of carbon dioxide pump item PP1, carbon dioxide pump drive system item PP1M and pulsator item PZ2, including spare parts and start-up supervision.

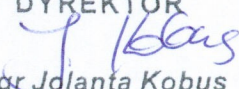

Instytut Nawozow Sztucznych, acting in accordance with Article. 38 par. 4 of the Act of 29th of January 2004 - Public Procurement Law (consolidated text Journal of Laws of the Republic of Poland of 2007 No 223 item 1655 with further amendments) hereby explains that the Specification of Essentials Terms of Contract shall be changed in the following manner:

- I. **Point No VIII.2.2. letter. b):**
words "capacity of 5m³/h" shall be replaced by the words "capacity of at least 4000kg/h",
- II. **Point No VIII.3.2.2.2.**
words "capacity of 5m³/h" shall be replaced by the words "capacity of at least 4000kg/h",

Hence, **the Awarding Entity modifies the Specification of Essential Terms of Contract in the following manner:**

- I. **Point No VIII.2.2. lit. b) :**
„The Economic Operator is obliged to prove that within the last 3 years prior the procedure for the Contract (and if the business entity operation period is shorter during this period) he performed at least 1 supply for a plunger pump with a discharge pressure at least 50 MPa and capacity of at least 4000kg/h for CO₂ supercritical extraction plant, specifying the values, object, execution dates and recipients and documents confirming diligent performance of the supply.
Lack of references shall exclude the Economic Operator from the further procedure.
- II. **Point No VIII.3.2.2.2.**
„The list of supplies of plunger pumps with discharge pressure at least 50 MPa and with capacity of at least 4000kg/h for CO₂ supercritical extraction plant, specifying values, object of supply, execution dates and recipients and documents confirming diligent performance of the supply, as per Annex 2 to this Specification”,

The remaining scope of the Specification of Essential Terms of Contract shall be the same .
