yes no

If **positive**, describe particular conditions

III.2. CONDITIONS FOR PARTICIPATION IN THE PROCEDURE

III.2.1) Subjective situation of Economic Operators including requirements concerning business or commercial register

Information and formalities necessary for evaluation of fulfillment of the requirements:

Eligible to compete for the Contract shall be tenderers who:

- 1) have the necessary knowledge and experience, and have at their disposal the technical potential and personnel capable of performing the Contract; or shall present written obligation of other entities to make technical potential and personnel available for performing the contract;
- 2) are in financial and economic situation ensuring the performance of the contract;
- 3) are not liable to exclusion from the award procedure;

The Economic Operator upon request of the Awarding Entity and within the scope specified by the Awarding Entity is obliged to prove not later than on the day of submission of the offers that he fulfills the conditions specified in Article 22 paragraph 1 of Public Procurement Law and that there is lack of grounds for his exclusion from the procedure due to failure to fulfill the conditions specified in Article 24 paragraph 1 of Public Procurement Law.

Economic Operator may rely on know-how and experience, technical potential and personnel capable of performing of the Contract or the financial resources of the other entity, irrespective of legal nature of their relations. In such a situation the Economic Operator is obliged to prove that he will have the resources necessary for performing the Object of the Contract, presenting written obligations of those entities to spare necessary resources for the Contract performance.

If due to justified reasons the Economic Operator is not able to present documents concerning financial and economic situation, which are required by the Awarding Entity, he may present other documents which confirm in the full extent the fulfillment of conditions specified by the Awarding Entity.

The fulfillment of the conditions for participation in the procedure shall be evaluated on the basis of documents submitted by the Economic Operator proving the fulfillment of the conditions for the participation in the procedure.

In case of Economic Operators who participate jointly for the contract award:

- The conditions for the participation in the procedure, specified in Article 24 paragraph 1 of Public Procurement Law shall have be fulfilled by the Economic Operators jointly,

- Lack of grounds for exclusion from the procedure in situations specified in Article 24 paragraph 1 of Public Procurement Law shall have be proved by each of the Economic Operator,

- As for the conditions concerning the list of supplies relating to the type and value of the supply for this Contract in part for which the offer is submitted, specifying the value, object, performance date and recipients, with documents confirming due and diligent performance of those supplies evaluation shall be made on the basis of references of Economic Operator or Economic Operators who participate jointly for the contract award (consortium), which shall be evaluated with consideration of the total number of supplies.

Economic Operators who fail to prove the fulfillment of the conditions shall be excluded from the procedure for the public Contract.

Documents required:

1. Declarations

1.1. Declaration confirming that the Economic Operator fulfils the conditions for the participation in the procedure in accordance with Annex 1 to this Specification concerning:

a)authorizations to perform the activity covered by the object of the Contract, if such authorizations are required by law;

b) having necessary knowledge and experience;

c) having technical potential and personnel capable of performing the object of the Contract;

d) economic and financial situation.

2.In order to prove the fulfillment of the conditions specified in Article 22 paragraph 1 of Public Procurement Law, the evaluation of which has been described by the Awarding Entity, the following documents shall be submitted by the Economic Operator:

2.1. concession, permission or licence

In order to prove lack of grounds for exclusion from the procedure in situations specified in Article 24 paragraph 1 of Public Procurement Law the following documents shall be submitted:

3.1. The declaration of the Economic Operator concerning the lack of ground for exclusion from the procedure under Article 24 paragraph 1 of Public Procurement Law, as per Annex 5 to the Specification of Essential Terms of Contract;

3.2. Valid official copy of proper register if other regulations require the registration in order to prove lack of grounds for exclusion from the procedure under Article 24 paragraph 1 item 2 of Public Procurement Law, issued not earlier than 6 months prior the time limit for submission of the offers, and in case of natural persons declaration in the scope of Article 24 paragraph 1 item 2 of Public Procurement Law is required;

4.The Economic Operator who when proving the fulfillment of the conditions for participation in the procedure refers to the potential of the other entities which will take part in the performance of the part of the Contract shall also submit documents referring to this entity in the scope required for the Economic Operator, specified in item 3;

5. If the Economic Operator has his registered office or place of residence outside the territory of the Republic of Poland, he shall submit the document issued in the country he has his registered office or place of residence confirming that winding-up proceedings have not been opened against him and he has not been declared bankrupt – issued not earlier than 6 months prior the time limit for submission of the offers;

6. If documents mentioned in 3.2. are not issued in the country the Economic Operator has his registered office or place of residence, they shall be replaced by the declaration made before the notary public, competent court, administrative body or professional organization in the place of residence or registered office issued not earlier than 6 months prior the time limit for submission of the offers;

7. Valid information of National Criminal Record or equivalent declaration of proper court or administrative body from the country of economic operator within the scope specified in Article 24 paragraph 1 item 4-8 of Public Procurement Law issued not earlier than 6 months prior the final date of submission of the offer;

8. Valid information of National Criminal Record or equivalent declaration of proper court or administrative body of the country of the person, within the scope specified in Article 24 paragraph 1 item 9 of Public Procurement Law issued not earlier than 6 months prior the final date of submission of the offer;

9. If Economic Operator has his registered office or place of residence outside the territory of Poland, instead of documents mentioned in paragraph 3.2, 7.8 he shall submit document or documents issued in accordance with the Law of the country he has his registered office or place of residence confirming that:

a) winding-up proceedings have not been opened against him and he has not been declared bankrupt;

b) he has not any arrears in taxes, health and social insurance premiums or that he acquired legal exemptions from payments or payments delay or permission to pay arrears in installments or stay of execution of proper body;

c) he has not been prohibited to participate in the procedure for a public contract;

Documents specified in item 9 letter a) and c) should be issued not earlier than 6 months prior the final date of submission of the offer. Document specified in item 9 letter b) should be issued not earlier than 3 months prior the final date of submission of the offer.

If such documents are not issued from Criminal Record within the scope specified in Article 24 paragraph 1 item 4-8 of Public Procurement Law in the country where the economic operator has his registered office or place of residence they shall be replaced by declaration made before a notary public, competent court, administrative body or professional or economic organization – item 3.2., 7 shall refer to the dates of issuing such documents.

All the above mentioned documents shall be submitted in original or in the copy confirmed in compliance with original by the Economic Operator – the confirmation shall be hand written or with the use of the appropriate seal/ in compliance with original/. In case of submission of documents in the electronic form documents should be signed by the Economic Operator with a safe electronic signature, verifiable by qualified certificate.

In case of Economic Operators who jointly participate for the Contract award and in case of entities mentioned in item 4 all the copies concerning the Economic Operator or those entities shall be confirmed in compliance with original by the Economic Operator or those entities.

Documents prepared in the foreign language shall be submitted with translation into the Polish or English language.

III.2.2) Economic or financial capacity

<p>Information and formalities necessary for evaluation of fulfillment of requirements Documents required:</p> <p>1.1. the entire annual financial report, and if it is the subject to expert auditor opinion in accordance with The Polish Accounting Act, the opinion of this report is also required, and in case of Economic Operators who are not obliged to make financial report the other document specifying turnover, obligations and debts is required – for the period not longer than the last financial year;</p> <p>1.2. information from bank or saving and loan association in which the Economic Operator has his own account, confirming</p>	<p>Low level of potentially required standards <i>(if applicable)</i></p>
---	---

the financial standing of the Economic Operator or his creditworthiness necessary for current financing of the object of the Contract up to at least 50000 PLN for the object of the Contract, issued not earlier than 3 months prior the time limit for submission of the offers;

1.3. insurance policy, in case of lack of such a policy the other document confirming the fact that the Economic Operation is insured against civil liability in the scope of his activity and connected with the object of the Contract is required.

2. The Economic Operator who, when proving the fulfillment of the conditions for participation in the procedure refers to creditworthiness of the other entities shall submit the information from bank or saving and loan association, referring to entity whose financial standing he enjoys under Article 26 paragraph 2b of the Public Procurement Law, confirming the financial resources of this entity or his creditworthiness, issued not earlier than 3 months prior the time limit for submission of the offers, confirming the financial standing of the Economic Operator or his creditworthiness necessary for current financing of the object of the Contract up to at least 50000 PLN for the object of the Contract.

All the above mentioned documents shall be submitted in original or in the copy confirmed in compliance with original by the Economic Operator – the confirmation shall be hand written or with the use of the appropriate seal/ in compliance with original/. In case of submission of documents in the electronic form documents should be signed by the Economic Operator with a safe electronic signature, verifiable by qualified certificate.

In case of Economic Operators who jointly participate for the Contract award and in case of entities mentioned in item 2 all the copies concerning the Economic Operator or those entities shall be confirmed in compliance with original by the Economic Operator or those entities.

Documents prepared in the foreign language shall be submitted with translation into the Polish language or English language.

III.2.3. Technical capacity

<p>Information and formalities necessary for evaluation of fulfillment of requirements</p> <p>The Economic Operator is obliged to prove that within the last 3 years prior the procedure for the Contract (and if the business entity operation period is shorter during this period) he performed at least 1 supply relating to the kind and value of this Contract, specifying the values, object, execution dates and recipients and documents confirming diligent performance of the supply.</p> <p>Lack of references shall exclude the Economic Operator from the further procedure.</p> <p>2.The Economic Operator is obliged to prove that he has necessary expertise and experience, technical potential, and that he has personnel capable of performing the object of the Contract at his disposal.</p> <p>3.Economic Operator may rely on know-how and experience, technical potential and personnel capable of performing of the Contract or the financial resources of the other entity, irrespective of legal nature of their relations. In such a situation the Economic Operator is obliged to prove that he will have the resources necessary for performing the Object of the Contract, presenting written obligations of those entities to spare necessary resources for the Contract performance.</p> <p>Documents required:</p> <p>1.1. the list of supplies relating to the kind and value of this Contract, specifying values, object of supply, execution dates and recipients and documents confirming diligent performance of the supply, as per Annex 2 to the Specification of Essential Terms of Contract;</p> <p>1.2. the list of participants who will participate in the performance of the Contract, responsible for the execution of the Contract with information stating their qualifications and experience necessary for Contract execution, as well as the scope of their activity and information about the grounds for disposal of those participants as per Annex 3 to the Specification of Essential Terms of Contract ;</p> <p>1.3. declaration that persons who will</p>	<p>Low level of potentially required standards <i>(if applicable)</i></p>
---	---

participate in the performance of the Contract have required authorizations, if such authorizations are required by law, as per Annex 4 to the Specification of Essential Terms of Contract

1.4 The Economic Operator when relaying on expertise, experience and technical potential of persons capable of performing the Object of the Contract or financial standing of other entities irrespective of legal nature of their relations, is obliged to prove that he will have at his disposal resources necessary for performance of the Object of the Contract, presenting written obligations of those entities to spare necessary resources for the Contract performance

All the above mentioned documents shall be submitted in original or in the copy confirmed in compliance with original by the Economic Operator – the confirmation shall be hand written or with the use of the appropriate seal/ in compliance with original. In case of submission of documents in the electronic form documents should be signed by the Economic Operator with a safe electronic signature, verifiable by qualified certificate. In case of Economic Operators who jointly participate for the Contract award and in case of entities mentioned in item 1.4 all the copies concerning the Economic Operator or those entities shall be confirmed in compliance with original by the Economic Operator or those entities.

Documents prepared in the foreign language shall be submitted with translation into the Polish language or English language.
