

Puławy, May 5th 2011.

Re: Procedure for a public Contract No INS/LWC - 20/2011 conducted in the procedure of open tendering for the supply of equipment, machines and devices within the project of "High pressure techniques laboratory equipment and devices with modern infrastructure" – apparatus for supercritical water oxidation.

Instytut Nawozów Sztucznych, acting in accordance with Article 38 paragraph 4 of the Act of 29th of January 2004 - Public Procurement Law (consolidated text Journal of Laws of the Republic of Poland of 2007 No 223 item 1655 with further amendments) hereby explains that:

- Annex 10 to the Specification of Essential Terms of Contract shall be changed in the following manner: "Alloy 625 or similar shall be replaced by "...steel fulfilling all the parameters given in the Specification".

Annex 10 to this Specification shall have the wording as provided here.

Moreover, pursuant to Article 12a paragraph 2 item 1 of Public Procurement Law, Awarding Entity extends the time limit for offer submission until May 20th 2011.

The remaining scope of the Specification of Essential Terms of Contract shall remain unchanged.
